

**SDG 13 EXERCISE**

*(Exercise adapted from World's Largest Lesson and used with permission)*

1. Have you joined in climate change community action?

---

---

---

---

2. Are you worried about what the future might bring or feel other emotions?

---

---

---

---

3. Have you felt the normal rhythm of the seasons changing?

---

---

---

---

4. Do you know anyone who has had to move because of the effects of climate change?

---

---

---

---

5. Can you share a recent climate change story that you heard about on the news?

---

---

---

---

6. Do you believe climate change is not that serious? Why?

---

---

---

---

7. Do you feel your culture and way of life is under threat from climate change?

---

---

---

---

8. Do you think women and girls will suffer most as the climate heats up? Why?

---

---

---

---

9. Have you seen the effects of climate change in your local area?

---

---

---

---

10. Are you trying to be “green” by cutting down on energy use? What can you personally do to reduce carbon emissions and help the climate, animals and people? Positive change is possible through the efforts of people just like you!
