### 7. It's your course

Now that you've heard our advice on how to make the most out of the course, all that's left is our seventh and final tip - **it's YOUR course** and you can do it how you want to. If you want a certificate, mark each Step complete using the tab at the bottom right of the step. You can track your progress using the Progress tab at the top. But If you aren't interested in a certificate, you can miss a step or jump ahead to week 2 – it's your choice. Whatever you choose, just remember to enjoy the course and have fun.
