

Skills self-assessment

On a scale of 1–10, how competent or comfortable are you in each of these critical skills?

Communication

I have a way with words and people understand my instructions, requests, and ideas.

Persuasion

I understand how to communicate persuasively through my words, actions, and passion.

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----

Creative thinking

I embrace my creative side often by giving myself space to think. I often think outside the box when trying to solve a problem.
