The correct answers were:

Minimum temperature: 6.3°C

Maximum temperature: 18.9°C

Rainfall: 0mm

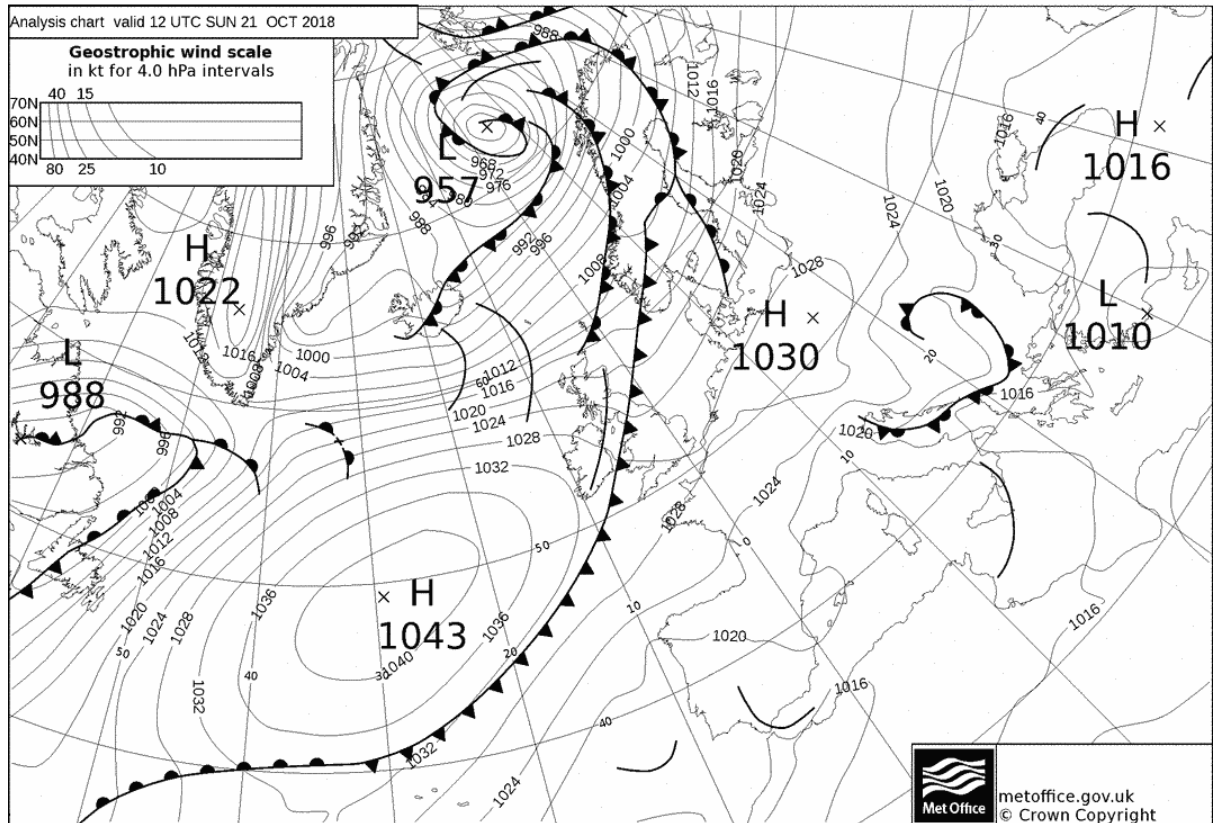

Relative Humidity at midday (UTC/ GMT): 73%

It was a much easier day to forecast and, although few people submitted a forecast, the scores were all positive with several people making really accurate forecasts. The maximum possible score is 16 and the minimum is -16.

It was a largely clear day with pressure building from midday. The trailing cold front which brought rain further north in the country did not have much impact on Reading.
