

WEATHER FORECAST GAME: WEEK 3 RESULTS

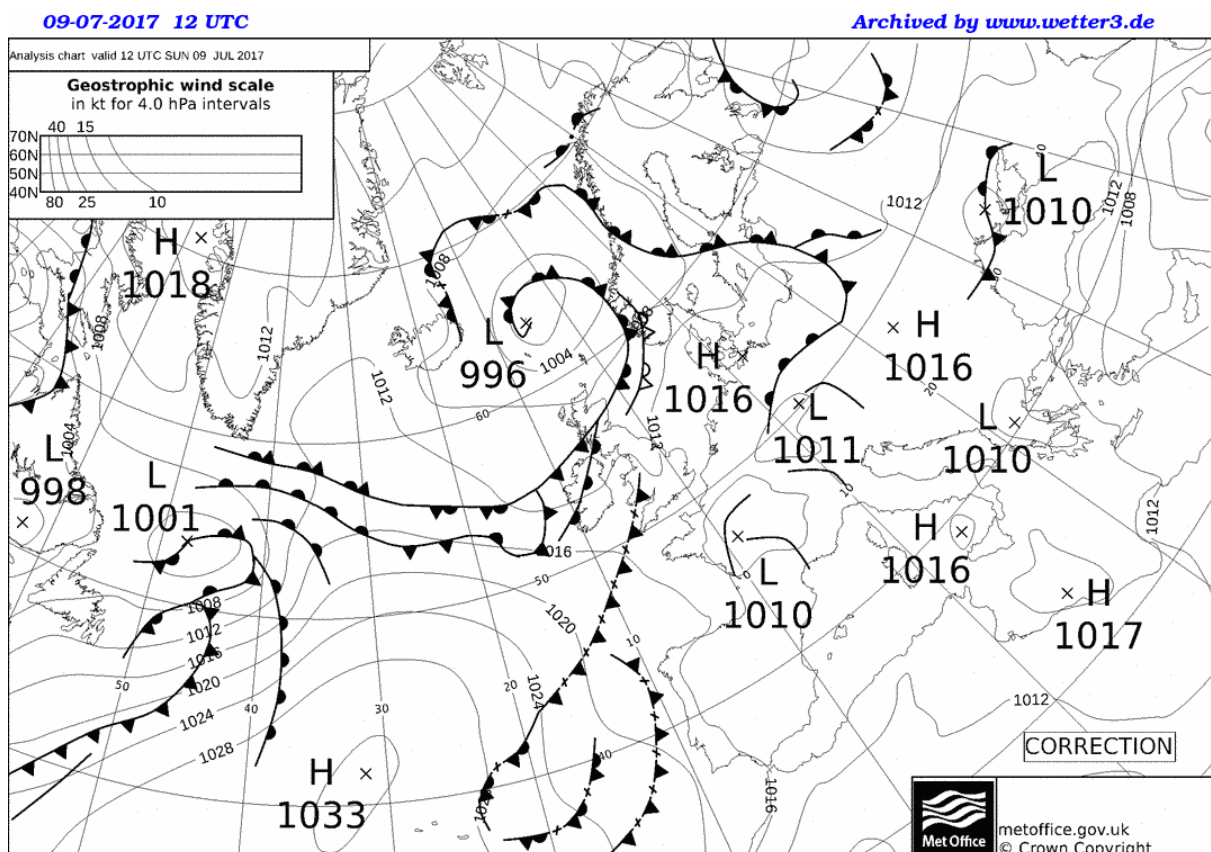

How did you do in the Forecasting Game in Week 3?

You can see the results of this week's forecasting game [here](#).

On a dry and sunny day, there was no rainfall and the temperature varied between just under 17°C and 26°C. High pressure dominated.

Many people forecasted the temperature well, but predicted rainfall, which reduced their scores.

We hope that you have enjoyed this opportunity to see whether you can correctly interpret the weather forecast charts using the knowledge you have gained from this course.
