Week 3 Teaching and assessing in different environments
Step 3.2 Issues in learning and teaching: online and blended

The seven elements of digital literacies (JISC, 2014):

1. Media literacy: Critically read and creatively produce academic and professional communications in a range of media.
2. Communications and collaboration: Participate in digital networks for learning and research.
3. Career & Identity management: Manage digital reputation and online identity.
4. ICT literacy: Adopt, adapt, and use digital devices, applications and services.
5. Learning skills: Study and learn effectively in technology-rich environments, formal and informal.
6. Digital scholarship: Participate in emerging academic, professional and research practices that depend on digital systems.
7. Information literacy: Find, interpret, evaluate, manage and share information.
