

GLOBAL YOUTH WELLBEING INDEX

After watching the videos, rank your country in the following domains. Then reflect on your rankings, how they might be improved and what your suggestion could be to make positive change in this area.

Gender Equality: _____ Economic Opportunity: _____
Education and Health: _____ Safety & Security: _____
Citizen Participation: _____ Information/Communications Tech: _____

1. What am I pleased about in terms of how my country is doing in some of these areas?

2. Where do I think my country could make improvements and why? Is there something I can do personally to help in my local community?

3. If I were talking to policy makers, what would my top priority be and what could I propose as a potential policy to make positive change?
