WEEK 2: ENSURING CARE AND COMFORT

COMFORT CARE DAISY

Jack's comfort care plan is made up of a series of segments, we have represented these as petals on daisy. Each segment is made up of answers for questions:

What brings physical comfort?

- Jack likes deserts and milk to drink
- Jack finds personal care distressing
- Jack has a specially adapted chair

What brings emotional comfort?

- Jack enjoys it when his family visits
- Jack loves listening to music
- Jack likes watching comedy on TV

What makes the person relaxed and happy?

- Jack likes to rummage in his tin
- Jack smiles and taps his feet when he is happy
- Jack likes his rug over his knees

What keeps the person pain free

- The GP and hospice provide support
- Moving Jack requires two staff and a hoist
- The dentist helps with oral care

What environment makes the person feel safe and comfortable

- Jack likes company in the lounge area
- When Jack is agitated his music calms him
- Jack also enjoys the peace of his room
