

Step – Testing new students

Task

Click on the three tools below (1-3) and find out what each tool does. Then, match it to its description (A-C).

1. [Test your English](#)
2. [European Day of Languages](#)
3. [British Council](#)

A. A simple version of the European Common Framework of Reference for teachers that learners can use to self-assess their English.

B. A free online test which helps learners to select the best Cambridge English Qualification for them. Even if your learners aren't planning on taking a Cambridge exam, this tool can be a very useful way of finding out a learner's level when you begin teaching them.

C. A quiz that helps learners to self-assess their language skills.
