

# The PLUS model for ethical decisions

## **P = Policies**

Is it consistent with my organisation's policies, procedures and guidelines?

## **L = Legal**

Is it acceptable under the applicable laws and regulations?

## **U = Universal**

Does it conform to the universal principles / values my organisation has adopted? Does it benefit stakeholders?

## **S = Self**

Does it satisfy my personal definition of right, good and fair? Can I be proud of this decision or action?
