

# Step – Useful digital tools for developing writing skills

## Task

Visit the websites below and decide which are appropriate for these learners. There may be more than one site that you could use with each type of learner.

- Learners who want to be creative.
- Young learners.
- Learners who want to create a product.
- Learners who want feedback on their writing.

<u><b>Storybird</b></u>	<u><b>Book Creator</b></u>
<u><b>Make Beliefs Comix</b></u>	<u><b>Write &amp; Improve</b></u>

## Answers

Learners who want to be creative – **Storybird / Book Creator / Make Beliefs Comix**

Younger learners - **Spelling City**

Learners who want to create a product – **Storybird / Book Creator / Make Beliefs Comix**

Learners who want feedback on their writing – **Write & Improve**
